NOTE: Mr. Redlich's secretary contacted Mr. Malley 9/4/64 and made reference to SA Kaack's report. She stated that while SA Kaack's report is completely legible, pages 6 through 10 are light and it is most difficult to reprint such pages for inclusion in the overall Commission report. She asked if darker copies could be provided. A check of Bufiles disclosed only the original of SA Kaack's report is in file, therefore, pages 6 through 10 were retyped and copies of same are being furnished to the Commission herewith to comply with its request.
